**SUN CITY LINCOLN HILLS SPORTS CAR GROUP
GUEST RELEASE FORM***

I intend to participate in an event sponsored or conducted by the Lincoln Hills Sports Car Group (the "Group"). I recognize that the Group's officers, directors, board members, and committee members ("Group volunteers") have expended time and effort in planning for and conducting the Group event and that the event requires judgment decisions. In consideration of both the efforts by such Group volunteers and the opportunity to participate in this Group event, and except in the event of a Group volunteer's willful neglect, I hereby release and hold harmless the Group volunteers from any claims and demands that I may have that arise out of, or in connection with, (1) any Group volunteer's performance of his/her Group duties, or (2) my participation in this Group event.

This Release is binding on my successors and assigns, including my heirs and personal representatives, and releases all claims I may have against any Group volunteer, except in the event of a Group volunteer's willful neglect. By signing this Release, I am agreeing not to sue any Group volunteer for any injury to myself or my property arising from or in connection with a Group volunteer's performance of his/her Group duties in sponsoring, planning or conducting this Group event.
