Welcome to all Members and Guests

Our club requires that each member and guest have their COVID vaccination card checked prior to attending any of our events including our club meetings. If you have had your COVID vaccination card checked at any of our previous events, we have it documented and you will not be required to show it again at future events. If your COVID Vaccination Card has not been verified, please bring it with you and be prepared to have it checked. Thank you. We appreciate it.

We ask that our members wear their name tags to our events. Guests and new members will be wearing a green dot on their name tags so that we can more easily recognize them. Please make an effort to meet our guests and new members. We want them to feel welcome and comfortable while attending our events.
