Members leading other members on road trips is what this club is all about! Please consider leading at least one road trip each year. If you have never led a trip, consider volunteering to be a group leader and then graduate to planning and leading one of your own. Several club members are trained to help you with any computer tasks that may be necessary. If you have any ideas about routes or possible destinations, please let Tom know ASAP!

Ron will report on the activity of our club's website.

We do not publish members' email addresses, phone number(s) or address on the website or provide links to other websites. If you need to contact a member, please refer to the LHSCG roster.

The club's website is constantly being updated with pictures and information about our club activities. Please visit our website to see the latest news, pictures, and future Tours and Socials.
