It's the one everyone wants! GREASE, the fifth longest running musical in Broadway history, revved up and ready to rock 'n' roll! Your favorite songs from the hit motion picture are live on stage in this fast-moving production. Audiences are dancing in the aisles to chartbusters like, "You're The One That I Want," "Hopelessly Devoted To You," "Summer Lovin'," "Born to Hand Jive," and "Greased Lightnin'." This production of GREASE will prove that baby boomers, their kids and even their grandkids just can't get enough of Danny Zuko, Sandy Dumbrowski and those tough-talkin' Pink Ladies. You'll have a blast with GREASE – It's still the word!
