

Hilmar Cheese Company

Have you ever seen a 640 pound block of Cheese?

Save the date of July 14th and you'll be able to see one being made.

We are planning a ride through the Gold Country and on to the Hilmar Cheese Company in Hilmar for a look at cheese making in the largest cheese manufacturing plant in the world. They produce 1.4 million pounds of cheese here every day and they do it in 640 pound blocks.

We are going to have a Sandwich Buffet lunch at Hilmar that includes the following:

Hilmar Cheese Soup

Green Salad with Roasted Almonds

Your choice of Honey Ham with Cheddar

Roast Turkey with Jack

Roast Beef with Pepper Jack

Sandwich's are 1/2's and you have a choice of: 2 halves or one whole sandwich

Cream Cheese Brownie for Dessert

Lunch is \$16.00 per person, inclusive.

We are planning to take 30 cars for this tour. The ride down is a little long, 4 hours not including our refreshment stop. We are planning to leave at 7:30 am from the OC so that we can be in Hilmar by noon. Plan on 2 ½ hours for lunch and an informative visual tour of the cheese plant. The ride home will be on either Hwy 99 or Hwy 5. It should take around 2 hours.

If you would like to join us, drop Gary Musser an email at:
(See LHSCG Roster for email address)

I'll ask for your lunch payment when we get closer to going.
