

LINCOLN FIREFIGHTERS ANNUAL TURKEY DRIVE

On Thursday, November 15th, our club will participate in the Lincoln Firefighters Annual Turkey Drive along with the Rods and Relics Car Club. We will meet at our normal meeting place the Orchard Creek Lodge parking lot in front of the Wave gym at 1:00 p.m. We will leave at 1:30 and cruise over to the Lowes parking lot and park until 2:15 and then cruise to the Home Depot/Target parking lot. We will leave there about 3:00 and then drive to the Lincoln Fire Station located at 126 Joiner Parkway where we will donate our FROZEN turkeys.

All of the frozen turkeys that are collected by the Lincoln Firefighters will be donated to the Salt Mine and other local charities. Last year approximately 400 turkeys were donated. They have the ability to store 700-800 turkeys.

We would like to have our line of sports cars and rods and relics be similar to a "Flash Parade" and hopefully draw some of the shoppers to our parked cars where we can meet them and thank them for being our neighbors in the wonderful community of Lincoln.

I am going to invite our current city councilmen and both of the newly elected council members to join us. I have also invited our Chief of Police and will invite our Fire Chief. If any of our members will be driving alone, perhaps they could have a city council member ride with them. The same for the newly elected council members.

I want to give credit for this idea of a "Flash Parade" to Bud Van Cott. Thank you Bud.

Ed McVey, the Event Coordinator of the Rods and Relics Car Club, told me that they will have at least 30 cars join us for this event. Please, let's not be embarrassed by their turnout.

AND DON'T FORGET TO BRING AT LEAST ONE FROZEN TURKEY!!!!

Take care and I hope to see you there.

Chuck Schmidt, President
