

**Sports Car Club ride to Yuba City for lunch at the
Dancing Tomato Caffé
Friday, September 22nd - 12 noon OC departure**

Jeanne Cervantes and Wood McCann are leading a one-hour ride through the heartland of northern California agriculture.

The Dancing Tomato Caffé is a quaint little treasure known as Yuba-Sutter's favorite home grown and locally owned family restaurant since 2004. Their mouthwatering menu items are prepared using only the freshest ingredients from family recipes that highlight the seasonal bounty of the region.

We will have a separate group section reserved for us.

[Also, a full bar is available]

Lunch can be ordered individually from the restaurant's regular menu with separate checks. They will give a senior discount if requested.

There is also a separate senior menu with limited items and smaller portions.

There is room for 22 cars and 44 people for ride and lunch.

Sign-up by email to Jeanne Cervantes [see roster]
