We have pre-driven the route and need to make a few changes as some of the roads are in  
bad shape and not

Suitable for our Sports Cars. The revised route will be shorter, totaling maybe 375-425

Route Detail route will come later, this is briefly  
how we will go.

Day 1 Back roads out of Lincoln to Winters for the 1st break, off the 505
