

Lassen/Susanville Trip

The following is the basic route we will be taking on the trip. John and I have not had a chance to drive it yet so we are lacking information on lodging dining and sightseeing but will fill you in on the details in a few weeks.

We will leave Orchard at 8:30 on June 6th taking Hwy. 65 to Marysville then follow Hwy. 70 to Oroville and on to Chico on Hwy. 99. We will take a break at Mac Donald's in Chico. From Chico we will drive up scenic Hwy 32 along Deer Creek up into the Sierras. We will arrive in Chester or Mineral about noon where we will have lunch.

After lunch we will drive into Lassen National Park. We will enter the south entrance and drive through the park with a stop at the information center. More information on the park later. Leaving the park we drive through the Lassen National Forest on Hwy. 44 to Susanville, where, we will spend the night.

In the morning we will drive south on Hwy 395 to Milford. From there we will work our way through the Sierras on some back roads to Hwy. 49 and Downieville where we will have lunch. After lunch we will continue down Hwy. 49 to Grass Valley for a break before continuing on to Lincoln. Don't forget your Senior National Park Pass. Being in the backcountry I don't anticipate any costly lodging or meals.

Let us know if you are interested in going or have any questions.

Lassen/ Susanville Trip

June 6 – 7, 2012

John and I had intended to drive the route this week to set up our rest and lunch stops but winter has finally arrived and some of the roads were closed or required chains. More important Lassen is closed so we will wait a month or two to double-check the roads and restaurants we want to use. We have finalized our lodging for the trip. We will be staying at the Diamond Mountain Casino and Hotel in Susanville. The rate will be \$93.35 including a hot buffet breakfast and tax. To reserve your room call (877) 319-8514 and the reservation is under the Lincoln Hills Sports car Club.

There are ten cars signed up at this time and we have room for 4 or 5 more. If you have not been on one of the overnight trips this is a great one to get started on. We will take you to some of the most scenic parts of the Sierras you'll have a lot of fun when we get there. Our cruise director John will keep us all entertained with his activities and antics. For more information or to sign up call me at (See LHSC- G Roster for contact information)

There is also information on the website which I will be updating as we go along.
